**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic has provided me with all the necessary tools to do my business  
and I would like to stay with them...I had ATT for years and they were awful...not very customer  
friendly..seems like they were only interested in profit....now there asking to eliminate there  
competition ....Sonic has been  
growing my needs for some time now and I want to continue to work with them (not ATT) I feel  
that we need competition to keep pricing down and better service....My phone service is half price  
with sonic...READ my lips  
do not take away access to critical unbundled networks elements
